

# We are currently recruiting for our Momentum Now! program

The Momentum Centre Inc. works with Indigenous and Newcomer youth and multiple industries to reduce youth unemployment, generating equitable access while

- ✓ improving economic well-being,
- ✓ mental health,
- ✓ resilience capacity,
- ✓ and employment outcomes.

## Are you?

- Between 18 and 30 years old
- Ready to move your life forward and commit to an 8-month program
- Motivated to work and willing to learn
- On EIA (Employment & Income Assistance) or at risk of enrolling on EIA

## Program Overview

Begins with an **8-week pre-employment seminar** that actively introduces participants to all 5 key skill-building areas of the professional development curriculum through group-based employability skills training, followed by **24 weeks of paid meaningful work experience** (earning minimum wage at 37.5 hours a week) in a cooperating workplace, in your field of interest that you help choose - all with the goal of transitioning successfully into ongoing employment.

Program starts on  
**May 27, 2024**

*Case Coordinators and Career Development Counsellors are welcome to make referrals.*
